Exceeds median income? Y/N

You are going to be meeting with a Bankruptcy Attorney shortly. You will probably be in our office about an hour. Our policy is to treat this meeting as one that will help you to better understand your options.

You are not going to be asked to decide whether or not you want to hire us to take any actions. Instead, we will review your financial situation, counsel with you, and establish the fees and costs of the various options if there are any. We will, of course, answer your questions and put what we can into writing so that you can take it home to review.

Please answer as completely as possible
